## CAPITAL IMPROVEMENT PROGRAM OVERVIEW

---

This Capital Improvement Program (CIP) provides for the acquisition, reconstruction, initial features and equipment of facilities and any related costs for land acquisition, land improvements, design, and engineering. Examples of Capital Improvements include construction of new facilities, expansion of existing facilities, rehabilitation of roads, construction of sidewalks, and beautification of parks. The summary is organized by activity and by type of project. Within each subsection, there is a summary of funding sources and additional cost associated with the project.
